**Excerpts from our Declaration of Faith & BAPTISM: Who Needs It?**

"Then they that gladly received his word were baptized" (Acts 2:41).

**DECLARATION OF FAITH**  
 "We, as New Testament believers, enthusiastically accept the historical Baptist belief that a scriptural local church is to be composed only of people who believe and have been baptized as a testimony of their personal faith in the Lord Jesus Christ... When you become a member of this church you enter into a fellowship which exists foremost to glorify our Lord and Savior, Jesus Christ. Therefore, we commit to honor Christ with our lives through obedience to His written Word: thus allowing all areas of ministry to conform to His Word, and believers to be transformed into His likeness."

"Baptism is a picture, or symbol, of what happens in salvation. It is identification with what Jesus did on the cross. It outwardly pictures an inward reality."

"The New Testament church practiced immersion, which means to put the person being baptized completely under the water. In fact, the command to 'baptize' is a command to immerse."

"Baptism signifies an identification with Christ and His completed work on the cross and can pertain only to those who have professed faith in Christ for salvation."

*Our next baptism service is Sunday, February 18, 2018. If you're a born-again believer and desire to follow the Lord by being baptized, then please contact one of our pastors.*
