Prayer Requests & Praises:

•We have seen God accomplish so much this year! Hope Radio is broadcasting in local languages and sharing the hope that only God can give.

•There have been daily opportunities to display God's love and grace to a broken world.

•The malaria season has continued to be a brutal one claiming the lives of countless children over the course of the past 5 months.

•We are absolutely thrilled to see how God is building His kingdom even in areas where we are unable to go!

•It is difficult to keep a supply of antivenin in stock given the number of victims each week from snake bites. We are thankful for many of you who have contributed to our antivenin fund which allows to subsidize the cost of snake bite treatments.
