Prayer Requests & Praises:

- We have seen God accomplish so much this year! Hope Radio is broadcasting in local languages and sharing the hope that only God can give.
- There have been daily opportunities to display God's love and grace to a broken world.
- The malaria season has continued to be a brutal one claiming the lives of countless children over the course of the past 5 months.
- We are absolutely thrilled to see how God is building His kingdom even in areas where we are unable to go!
- It is difficult to keep a supply of anti-venom in stock given the number of victims each week from snake bites. We are thankful for many of you who have contributed to our anti-venom fund which allows to subsidize the cost of snake bite treatments.

The LOVE of God is...

Wednesday Word: A weekly
Devotional from

We get our best standard of love from the Cross of the Lord Jesus Christ. His sacrifice of love is the ultimate example of what love is and what love does.

1. LOVE IS willing self-sacrifice for the good of another that does not require reciprocation or that the person being loved is deserving.
2. LOVE IS being willing to have your life complicated by the needs and struggles of others without impatience or anger.
3. LOVE IS actively fighting the temptation to be critical and judgmental toward another while looking for ways to encourage and praise.
4. LOVE IS making a daily commitment to resist the needless moments of conflict that come from pointing out and responding to minor offenses.
5. LOVE IS being lovingly honest and humbly approachable in times of misunderstanding.
6. LOVE IS being more committed to unity and understanding than you are to winning, accusing, or being right.
7. LOVE IS making a daily commitment to admit your sin, weakness, and failure and to resist the temptation to offer an excuse or shift the blame.
8. LOVE IS being willing, when confronted by another, to examine your heart rather than rising to your defense or shifting the focus.
9. LOVE IS making a daily commitment to grow in love so that the love you offer to another is increasingly selfless, mature, and patient.
10. LOVE IS being unwilling to do what is wrong when you have been wronged, but looking for concrete and specific ways to overcome evil with good.
11. LOVE IS being a good student of another, looking for their physical, emotional, and spiritual needs so that in some way you can remove the burden, support them as they carry it, or encourage them along the way.
12. LOVE IS being willing to invest the time necessary to discuss, examine, and understand the relational problems you face, staying on task until the problem is removed or you have agreed upon a strategy of response.
