### Danny Steinmeyer

Born: December 13, 1979  
Married: Danielle in 2005  
Father of five children: Luke, Bethany, Timothy, Hope, Joy

I was born on December 13, 1979, the oldest of 5 children. I was raised in a Christian home and at one time, I didn't think that I had a very exciting testimony. However, I've come to recognize how amazingly privileged I am to have had a Christian family and to have come to faith as a child. I was baptized by immersion when I was 16 years old. I have been under the teaching of Scripture and disciplined by my parents and others ever since I can remember. In high school, I was challenged to consider pastoral ministry and have been preparing for God's leading in that direction. I graduated from The Master's College with a degree in Theology in 2002. I graduated from The Master's Seminary with an MDiv in 2011, and was disciplined for 12 years at Grace Community Church, Sun Valley, Ca. I married Danielle in 2005. We have 5 children (Luke 13, Bethany 10, Timothy 8, Hope 4, Joy 2).

What's more important than my story is the confession that God has given me, that Jesus Christ is Lord. He granted me forgiveness and eternal life by faith in the death of the perfect Son of God who took my sin upon Himself, and who gave me His righteousness. He secured my resurrection by His own resurrection, and I will live with Him forever. That's an exciting testimony.
