

July 10, 2020

Church Family,

On July 7, 2020 the CDH Board of Health made a modification and made it available to the public ([modification statement](#)). Highlights of this modifications due to increased COVID-19 infection rates reported to CDH are;

1. All bars and nightclubs open to the public are declared under quarantine and must remain closed
2. Large venue gatherings in Ada county are hereby prohibited
3. Gatherings of 50 or more, both public and private, shall be avoided
4. People participating in gatherings of fewer than 50 people, while permitted, should adhere to social distancing and sanitation and wear face coverings.

We have reviewed this modification in conjunction with the [IDAHO REBOUND Guidelines](#) and believe we are still complying with our current operations plan. We clearly see Places of worship as a distinct heading on page 5 of the Idaho Rebound document. We also clearly see CDH modification using those same headings for the modification ; Bars and nightclubs, Large venues, Gatherings. We have sought CDH for any clarification and they responded that places of worship are not required to stay under 50, however we do need to be sure we maintain social distancing, sanitizing , cleaning, etc.

We continue to monitor this situation closely and would ask you do the following;

1. Pray for wisdom
2. Maintain social distance guidelines
3. Maintain CDC guidance
4. Love each other
