MISSION FOCUS

February

Ryan & Rebecca Frank

Involve Church in Nampa, ID

Church planting in the COVID era is a little tricky. In the past we have changed our venue 5 different times. From an elementary school, to online only, to partial online, to home groups, and then to a small auditorium in our training center. We're blessed to have what we have and we're making the best of it. Over the years we have learned to be flexible, which made this last year a little easier for us to handle. We've seen some growth and we've suffered some loss in all the transition, but God is working. In the midst of all the chaos we were able to launch our leadership program. We have three phases that will help develop people for church leadership and, if the Lord wills, future part time or full time ministry. We've also experimented with some satellite services in homes and in rented spaces. We currently have a satellite church in Garden City that is in the development stage. It is led by Dan Russell. He is working with a team on outreach, evangelism, and leadership development. We're hoping this will be a bridge from an existing church to a future autonomous church. We've already leaned a lot, but there is still so much to learn.

Church Membership

Our Elders want to update you on our current member candidates. This will allow you to prayerfully consider who we are inviting into our membership.

UPDATED

Section D. Receiving Members

1. Candidates may qualify to become members of the church in one of two ways:

- Interview with the elders and Baptism by immersion at Meridian First Baptist Church.
- Statement of Christian experience and interview with designated elders. (having been previously baptized by immersion as a believer).

2. Prospective applicants for membership shall be published two weeks prior to the vote. If one or more members, because of the knowledge of some existing circumstance, deem it necessary to object to an applicant, a written objection shall be brought in person to the elders for examination. The elders shall examine the accusation to determine validity.

3. After a recommendation by the elders, applicants shall be affirmed by a vote of the congregation at any Sunday service or business meeting of the church and shall be accepted upon approval of a majority of present, voting members.
