MISSION FOCUS

July

Jack & Cheryl Shiflett

Semi-Retired / CA

- Mentoring at "Regeneration" a discipleship and recovery ministry at our church is impacting the entire city.
- Small Group Ministry at Community Life Shepherd which means I mentor 10 coaches, who work with our life group leaders. Part of this responsibility is writing Sermon Discussion Guides for our small groups. It keeps me studying and writing for a deadline each week and that is a good exercise in discipline.
- We are enjoying living within 3 hours of our most distant family living near the coast.
- Cheryl's literacy mentor role at a public school in an at-risk community is an opportunity to express love and service in Jesus name to both teacher and students. She recently was awarded The Language Mentor of the year for her efforts with disadvantaged children.
- Each week Jack continues to meet with largely Afro-American and Hispanic pastors in a part of the city battling poverty and crime.
- We are so grateful t the Lord for the continued opportunity to serve Him.

From the BOOK NOOK

The Well-stocked Home

by Daren Blake

What is a well-stocked home in a post-COVID world? For some, maybe a well-lined pantry, a secure gun safe, a freezer full of meat, a workshop teeming with tools, or a closet of warm coats. Whatever our priorities, we have all learned that even in a first world country, without much warning, things we take for granted, even toilet paper, can become scarce.

A few weeks ago, in a sermon at Grace Community Church, John MacArthur, stated that "the church is the only hope of the world," and soberly cautioned that "this resolve to be the church when the government wants to shut you down is going to be tested again, and it's going to be tested at a much more aggressive level."

So here is food for thought: for many of us, we are accustomed to supplementing our Bible reading with online sermons, Bible study websites, blogs, posts, and YouTube videos—powerful resources we benefit from. Perhaps though, it's time to take stock of what we have in print in our homes.

In a cancel culture growing increasingly hostile to Christianity, we would do well to shore up our personal libraries, ensuring that we have a wide and growing variety of good books by mature believers, Bible study resources, and even a hymnal or two on our shelves.

The **Book Nook** is astir with new titles for all ages, useful for our common pursuit of renewing our minds and being diligent to study so that we might rightly divide the word of truth. The hope is that you will be inspired to avail yourself of the abundance of treasures and tools God has showered us with in the modern church age, and that we be wise and well-prepared for the times in which He has placed us.

Please visit the **BOOK NOOK** in our front foyer. It is open about 30 minutes before our Sunday Services & Sunday School. Cash, Checks and Credit cards are accepted.
