MISSION FOCUS

July

Jack & Cheryl Shiflett

Semi-Retired / CA

- Mentoring at "Regeneration" a discipleship and recovery ministry at our church is impacting the entire city.
- Small Group Ministry at Community Life Shepherd which means I mentor 10 coaches, who work with our life group leaders. Part of this responsibility is writing Sermon Discussion Guides for our small groups. It keeps me studying and writing for a deadline each week and that is a good exercise in discipline.
- We are enjoying living within 3 hours of our most distant family living near the coast.
- Cheryl's literacy mentor role at a public school in an at-risk community is an opportunity to express love and service in Jesus name to both teacher and students. She recently was awarded The Language Mentor of the year for her efforts with disadvantaged children.
- Each week Jack continues to meet with largely Afro-American and Hispanic pastors in a part of the city battling poverty and crime.
- We are so grateful t the Lord for the continued opportunity to serve Him.

Ministry Moments

"And He gave some to be... pastors and teachers for the equipping of the saints for the work of the MINISTRY, for the edifying of the body of Christ." Ephesians 4:11-12

Praise the Lord for the building up and equipping of the saints at MFBC. One of the areas of ministry that I'd like to highlight is our **Social Committee**.

Our Social Committee has been sacrificially serving before, during and after many of our recent church-wide events, special ministry events and also church-family gatherings.

THANK YOU!

Sometimes, we arrive at church and assume that things just kind of happen. But I want both to encourage and to challenge you to consider those who often work— well, let me say that better— those who MINISTER (serve) in the area of our social committee which is an aspect of /fellowship within our body. I want to encourage you to say **thank you** to whomever you see serving during these special times. Your expressions of appreciation and gratitude are demonstrations of love and care for the entire body. I want to also challenge you to consider stepping in and serving. Ok, maybe you're not on the official roster of the social committee, but please take the initiative to join in where you can and simply serve one another in love. You'll find great joy and fellowship as you partner together in any ministry here at MFBC.

Lastly, here's a brief announcement regarding food at MFBC:

Our social committee is encouraged when they see us enjoying the food and beverages at our events. An overflow of that food is often shared with multiple families. Likewise, some of our members often bring in donated food items to be shared with any and all who are here. We want you to be aware that almost weekly, we will have donated food items such as vegetables, desserts, bread (lots), pastries, and more that will be placed in the **East Wing Kitchen** counters and/or the refrigerator. **PLEASE avail yourself of these items.** So often we have to discard good food that has gone bad later in the week. Thank you for your donations and also your partaking of the blessings of food at MFBC.
