## MISSION FOCUS:

**October**

**James & Melissa Fife**

**ABWE / Togo**

•Praise God that He, in truly miraculous fashion, provided all of our documentation and clearances so that we were able to arrive in Albertville in time for the beginning of the school term

•Pray that James and I would be diligent in our studies and that we would learn our language lessons to the fullest extent of our capabilities

•Praise god for the opportunity to visit Idaho right before our departure—were blessed spiritually and financially by the church that we presented in as well as our sending church

•Pray for our children left behind—for Allegra as she is in her second year at Cedarville University and for Ian especially. We are so grateful that he is able to live with his sister and our son-in-law to finish his senior year in high school, but it is challenging as parents to miss that unique time in his life as well as all the milestones that come with it. We are praying that God might work out a way for James and Melissa to be able to be there for his graduation in May

•Pray with us over our remaining financial needs.—we are about \$171 short of our required minimum monthly support and we still need to raise our remaining Outfit and Passage, especially as our container prepares to ship out of the States (this month, Lord-willing! As it arrives in Togo, we will need to pay for our part of the container shipping expense (thankfully we were able to share the container with the hospital, greatly reducing our cost as well as import taxes.
