**\$2,360.00**  
Please designate your giving to  
“Camp Scholarship”  
Thank You!

**MISSION FOCUS:**

**Ethan & Melissa Molsee**

**ABWE / Togo**

- We are so thankful for the daily opportunities we have to serve the people of this community. Sometimes we are humbled by the love that is shown to us in return.
- The boys continue to do well and love life here. Aaron is in his freshman year of high school (through an online program), Eli (7th grade), Aden (5th grade) and Ezra (2nd grade) are attending the MK school. They each take French lessons with a tutor and a fellow missionary mother is giving them piano lessons. After homework and piano practice is done, they can be found roaming the fields with machetes in hand to create forts or playing disc golf on an 18-hole course that was carefully marked out by a visiting missionary.
- We were blessed to have Melissa’s parents with us for the month of November and Melissa’s dad stayed until the end of January. He was able to minister to our chaplains by speaking at the morning devotions and chauffeuring them to villages where Bible studies are being held.
- Last week found me (Ethan) driving one of the vans loaded with Jr. High and Senior High missionary children from our team, several hours south to meet up with other missionary children from other regions of Togo for a four-day youth retreat.
- We are so thankful for the team that came out from a supporting church to take this project on and encourage our children in this way. Pray for Aaron and Eli and the many other youth of our team, that this would be an encouraging and faith building retreat.
- Pray for Melissa as she developed abscesses about a month ago that are tunneling under her scalp. At one point there were 15 only on the left side of her head. A surgeon opened up four of them to drain them. She then had appointments twice a day to keep others drained. She was on antibiotics for two weeks ,but two areas have started up again. She says she is fine but is asking for prayer to stay healthy as she is scheduled to work 5-1/2 shifts in 7 days. (some 12 hour shifts/ others 9 hour shifts).
