Joseph & Francisca Akakpo

ABWE / The Gap / Togo

I pray this email finds you well and strong. On the field here in Togo, West Africa the Lord is sustaining us in His marvelous hands.  
Procuring my US visa already, I would like to inform you that my plan for the US Trip 2023 is underway. This time, the trip will be me alone in two phases from April to mid-July and the second phase from the third week of August to November may be with my wife, not sure yet. The second phase will be after our third National Youth Conference « August 10-13 latest (date not yet confirmed). It means I will come back to Togo for the Conference and then go back to the US after that to continue with the trip till November.  
I am writing to you to include me in your Church AM or PM services for our ministry report or for any other related ministry you want me to do with you. I will be available to give sermons, Sunday School lessons, Youth/Parents seminars or VBS in your Church or fellowship. As usual, I will be available and flexible to the schedule you will have for me. On the other hand, if you want me to do the schedule as a proposal and send it to you, kindly let me know. Hoping to hear from you.  
May the Lord bless you and keep you in His hands.
